### HEY JOE

(Columbia Record by Frankie Laine)  
(Columbia Record by Carl Smith)

BOUDLEAUX BRYANT

Hey Joe, where'd ya find that pearly girlie?

Where'd ya get that jolly dolly?

How'd ya rate that dish I wish was mine?

Hey Joe, she's got skin that's creamy dreamy

Eyes that look so lovey, dovey,

Lips as red as cherry, berry wine.

Now listen Joe I'm not a heel.

But old buddy, let me tell you how I feel;

She's a honey, she's a sugar pie,

I'm warning you I'm gonna try to steal her from you.

Hey Joe, though we've been the best of friends

This is where that friendship ends, I've gotta have that dolly for my own.

Hey Joe, come on let's be buddy, duddie,

Show me you're my palsy walsy

Introduce that pretty little chick to me

Hey Joe, quit that wailin', hesitatin'

Let me at 'er, what's the matter,

You're as slow as any Joe can be.

Now, come on Joe let's make a deal.

Let me dance with her to see if she is real.

She's the cutest girl I've ever seen,

I'll tell you face to face I mean to

steal her from you.

Hey Joe, we'll be friends until the end

But this looks like the end my friend,

I've gotta have that dolly for my own.

### I LOVE TO JUMP

CY COBEN

My mother was a Mexican jumping bean,

My father was a jumping jack,

My sister had a pair of rubber legs

And my brother sat on a tack.

An old grasshopper was a close relation

And that is why, you see,

I love to jump, oh I love to jump.

So, come on and jump with me!

I wish that I was a big balloon,

With one jump I could go to the moon.

I wish that I was a kangaroo,

I could jump around and take passengers too!

I wish that I was an old bullfrog

I could jump from a lake to a log.

I wish that I was a wild bronco,

Jumpin' around in the rodeo.

Hop scotch is the game I play

It keeps me on the jump all day.

If I was built like a cottontail

I could go a-hoppin' all over the trail.

### GOD BLESS US ALL

(Columbia Record by Jimmy Boyd)

TOM MURRAY TONY BURRELLO

Time to say your pray'rs dear,

Someone list'nin' up above.

Time to ask the Lord to bless ev'ryone you love.

God bless the postman who brings the mail

And bless the cowboys out on the trail.

Bless the man who waves to me

When the train goes by;

Bless all the pilots ridin' thru' the sky.

Bless ev'ry space man on my T.V. set

And bless our service men, please don't forget.

Bless the circus acrobats and never let them fall.

God bless the folks I love, God bless us all.

Bless mommy and bless daddy,

Who come each time I call,

God bless the folks I love, God bless us all.

### GAMBLER'S GUITAR

JIM LOWE

Tell of the hearts that this vagabond has broken

Tell of the fun I've had

Tell of the lovin' and the laughin'

And the jokin' back when I was glad

Back when I was glad

Tell of the days when the river boat was churnin'

Oh, what a gambler's spree

Tell of the haughty way old lady luck

Was spurnin' ev'ryone but me

Ev'ryone but me

Speak of the time when I took my biggest gamble

The game where hearts are high

Speak of the funny way my luck began to ramble

When she caught my eye

When she caught my eye

Tell all the folks that this life's a game of poker

A fool and gold must part

But in this hectic world

The biggest fool's the joker

Who gambles with his heart

Who gambles with his heart.

### IF LOVE IS GOOD TO ME

REDD EVANS FRED SPIELMAN

Spring will come, and grass will grow,  
The brooks will hum with melted snow,

If love is good to me

Clouds will cry, and rain will fall,

The earth will sigh and drink it all

If love is good to me

There always will be skies of blue above me.

Just as long as Mother Nature makes you love me.

Leaves will fall from winter's chill,

And I'll recall the summer thrill

That once you gave to me.

These wond'rous things each year,

Depend on you, my dear,

This all could be if love is good to me.

Copyright 1953 by Redd Evans Music Co.

### MY LOVE, MY LOVE

NICK ACQUAVIVA BOB HAYMES

Who makes the robin sing

My love, my love

Who brings the song to spring

Who else but you my love

Who makes my poor heart cry

My love, my love

Whose eyes are stars on high

None else but yours my love

As sweet as morning mist

Are the lips that heaven kissed

As endless as the sea is the love that she gave to me

And what have I to give?

My love, my love

As long as I shall live

I'll always give my love

You'll always be my love

You'll always be my love.

Copyright 1952, 1953 by Meridian Music Corp.

### IF YOU WERE MINE

BOB MERRILL

Each moment on this earth would be divine,

If all the love you have were mine, all mine.

If you were mine all the world would be my throne, dear;

If you were mine and your lips were mine alone, dear,

Altho I'd walk on earth I'd live in the heavens,

A king looking down, stars in my crown,

You in my arms.

If you were mine I would fill your life with laughter,

The sun would shine ev'ry day of the year

And then together, together we'd make out forever,

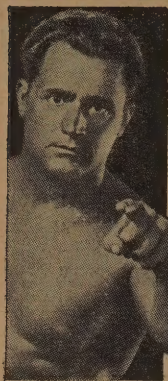

A story that poets would rhyme thru all of time,

If you were mine if you were mine.

**Let Me Make YOU

JUST 15 MINUTES  
A DAY**

You wouldn't believe it, but I myself used to be a 97-lb. weakling. Fellows called me "Skinny." Girls made fun of me behind my back. THEN I discovered — "Dynamic Tension." and it turned me into such a complete specimen of MANHOOD that today I hold the title "THE WORLD'S MOST PERFECTLY DEVELOPED MAN."

**My Secret —  
"Dynamic Tension"**

When you look in the mirror and see a healthy, strapping fellow smiling back at you — then you'll realize how fast "Dynamic Tension" GETS RESULTS!

"Dynamic Tension" is the easy, NATURAL method you can practice in the privacy of your room — JUST 15 MINUTES EACH DAY — while your chest and shoulder muscles begin to swell, ripple... those arms and legs of yours bulge... and your whole body starts to feel the zip and go! And you'll be using the method which many great athletes use for keeping in condition — prize fighters, wrestlers, baseball and football players, etc.

### WITH THESE HANDS

(Columbia Record by Johnnie Ray)

BENNY DAVIS ABNER SILVER

With these hands, I will cling to you,  
I'm yours forever and a day.  
With these hands, I will bring to you,  
A tender love as warm as May.  
With this heart I will sing to you,  
Long after stars have lost their glow,  
And with these hands, I'll provide for

you,  
Should there be a stormy sea,  
I'll turn the tide for you,  
And I'll never, no, I'll never let you go

### CRYING IN THE CHAPEL

ARTIE GLENN

You saw me crying in the chapel,  
The tears I shed were tears of joy;  
I know the meaning of contentment,  
Now I am happy with the Lord.  
Just a plain and simple chapel  
Where humble people go to pray;  
I pray the Lord that I'll grow stronger,  
As I live from day to day.  
I've searched and I've searched,  
But I couldn't find no way on earth  
to gain peace of mind.  
Now I'm happy in the chapel,  
Where people are of one accord;  
We gather in the chapel,  
Just to sing and praise the Lord.

Ev'ry sinner looks for something  
That will put his heart at ease;  
There is only one true answer,  
He must get down on his knees.  
Meet your neighbor in the chapel,  
Join with him in tears of joy;  
You'll know the meaning of contentment,  
Then you'll be happy with the Lord.  
You'll search and you'll search,  
But you'll never find  
No way on earth to gain peace of mind.  
Take your troubles to the chapel,  
Get down on your knees and pray;  
Your burdens will be lighter,  
And you'll surely find the Lord.

#### NO OTHER LOVE

OSCAR HAMMERSTEIN 2ND  
RICHARD RODGERS

No other love have I

Only my love for you

Only the dream we knew

No other love.

Watching the night go by

Wishing that you could be

Watching the night with me

Into the night I cry

Hurry home, come home to me

Set me free, free from doubt and free  
from longing

Into your arms I'll fly

Locked in your arms I'll stay

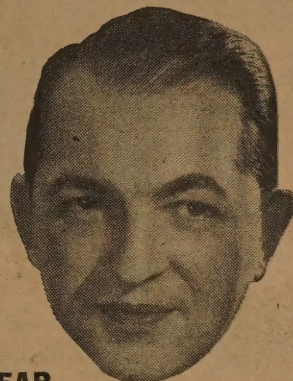

Waiting to hear you say

No other love have I,

No other love.

# the BALLROOM

Ray Anthony blows up his cheeks as he reaches for a high note

You have to fight your way into the ballroom in order to sit up close to the band and you literally have to battle the crowds — but when Ray Anthony is the object of your struggle, it's well worth it. Ray is one of the real fabulous guys in the band business, both on and off the bandstand. HIT PARADER made it quite an evening, one which the staff keeps talking about. Ray, the entire band, vocalists Marcie Miller, Tommy Mercer, and Hollywood star Nina Foch really did themselves proud with the Anthony version of the "Bunny Hop," a brand new dance originated by "The Young Man With The Horn." If that wasn't enough to keep the crowd in a constant dither, Ray later led the band throughout the ballroom with a rousing "When The Saints Go Marching In." To put it mildly, "the joint was really rockin'."

Half way through the dance, we whisked Ray to an upstairs office, and, for a few minutes, we talked shop with the young man who was voted the Number One Dance Band Leader of the nation. Ray, who strikingly resembles Cary Grant, gave us the low-down on his great organization. We then queried him on the various musical styles, and he provided us with some very interesting answers.

Ray favors a full, open trumpet style. He doesn't like using a mute, because he feels "it spoils that trumpet sound." Another of Ray's dislikes is that conglomeration of sounds known as "bop." In his opinion, the "boppers" have been a major factor in turning public interest and affection from band music. "We're going to have to skip this generation and get our replacements from the coming generation," says Ray. "Now fellows are learning to play again."

That the Capitol recording star knows whereof he speaks is evidenced by the great popularity of the "bop-less" Anthony crew on the college prom circuit. The band plays an average of 100 major college prom dates a year.

You're foolin' someone with your make  
believe heart  
Tho I know better that you're playing  
a part  
Your foolish stories are exactly like you  
You wouldn't tell me you were being  
untrue  
You've found a new love congratula-

If she's not a true love oh, how lonely  
you'll be  
Then you'll be sorry when your heart  
breaks in two!  
You're foolin' someone and that some-

**KISS ME AGAIN, STRANGER**(Columbia Record by Doris Day)  
CHILTON PRICE

Kiss me again, stranger,  
You've been away so long;  
Here in your arms, stranger,  
Make me feel once again I belong.  
Each well remembered caress is oh so  
new,  
So hold me close in the night  
And help me recall what to do.  
Then kiss me again, stranger,  
Now we're alone at last;  
Whisper again, stranger,  
Ev'ry love word we've known in the  
past.  
You're so familiarly strange, it's hard  
to believe it's true,  
So kiss me again, stranger I love you.

**WHEN I WAS YOUNG  
(Yes, Very Young)**

BOB MERRILL

When I was young, yes very young,  
My heart just wouldn't fall;  
I didn't know whose lips to kiss  
And so I kissed them all.  
I didn't know whose heart to keep  
And whose to throw away  
And so I tried another heart,  
Another ev'ry day,  
But I'm a little older now  
And I'm a little wise;  
The love that I was looking for I find,  
dear, in your eyes.  
I'm glad I kissed the other lips before  
I kissed your own  
'Cause I was young, so very young,  
I never would have known.

**SINCE YOU HAVE LEFT ME**

MILTON MAIO LOUIS LAURENZO

Since you have left me I walk alone  
With just the memory of joys we've  
known  
You were the laughter that filled my  
heart  
But now it's vanished since we're apart  
When you were with me I walked on  
air  
For when you walked with me, love was  
ev'rywhere  
Bring back the laughter that used to be  
I've been so all alone since you have  
left me.

# TALL DARK & HANDSOME

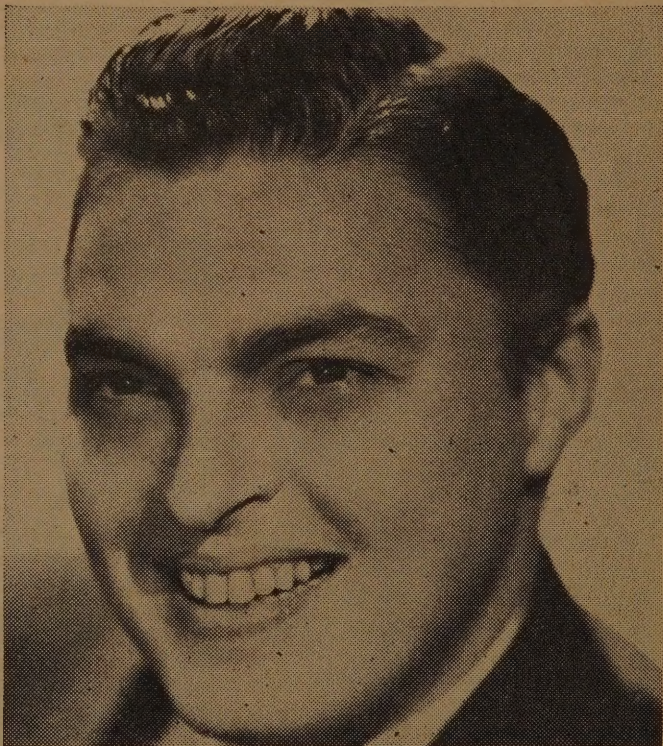

**DON CORNELL**, who looks like—and was—a middle-weight boxer, has made great strides in the pop music field over the past 10 years. Soaring to fame with Sammy Kaye's orchestra with "It Isn't Fair," Don followed through magnificently with "I'll Walk Alone," "I'm Yours," "This Is The Beginning Of The End," "Be Fair" and "I." His latest Coral pairing features "Please Play Our Song" and "If I Should Love Again."

**JULIUS LAROSA**, the curly-haired crooner with the boyish grin, is hard at work on a brilliant career that is growing by leaps and bounds. Since joining up with Arthur Godfrey, Julie has made his mark on the radio, T.V. and recording worlds. The reception to his first Cadence release, "Anywhere I Wander" and "This Is Heaven," was fantastic, while his latest waxing, a beautiful rendition of "I Believe," is also in great demand.

**TONY MARTIN** is one fellow in the "T, D & H" category who certainly needs no introduction. A high-caliber performer in six phases of the entertainment world (clubs, theaters, radio, television, movies and recordings), terrific Tony must be classified as one of the all-time singing greats. A top seller for RCA Victor over the past several years, the handsome Californian has two fine tunes out in "Sorta' On The Border" and "Unfair."

**BOB EBERLY** signed with Capitol Records in 1951 and has since established himself as one of the nation's leading baritones — both on wax and on personal appearances. Formerly with Jimmy Dorsey and the Chesterfield radio show, the Mechanicville, N. Y., native has appeared in such movies as "The Fleet's In" and "The Fabulous Dorseys." Among his best known recordings are "I Made A Promise," "Alone," "My Life's Desire" and "You Belong To My Heart."

## ETERNALLY

(Terry's Theme From "Limelight")  
CHARLES CHAPLIN GEOFFREY PARSONS

I'll be loving you eternally,  
With a love that's true eternally.  
From the start, within my heart,  
It seems I've always known,  
The sun would shine, when you were  
mine and mine alone.  
I'll be loving you eternally,  
There'll be no one new, my dear, for  
me.

Tho' the sky should fall,  
Remember I shall always be  
Forever true and loving you eternally.

## CHICKA BOOM

BOB MERRILL

Chicka boom, chicka-rack,  
Chicka boom, chicka-rack,  
Chicka boom, chicka-rack, she's singin',  
Her shoes patty-whack in the front and  
the back  
And her yellow curls go swingin'.  
Bells jes' rang,  
My eyes lit up and my heart went  
bang!  
Her shoes patty-whack in the front and  
the back  
To a boom chicka-racky boom!

It was way up in "Alasker"  
And the moment that I passed her  
In my heart a little bugle blew  
"attack!"

Though I knew I should resist her,  
I walked up to her and kissed her,  
And she didn't slap my face,  
She kissed me back.

Told me she was from Seattle  
Where her father raises cattle,  
But she's far away from home and so  
forlorn.  
Said the Yukon had her freezin'  
And it would be mighty pleasin'  
If I'd hug her once or twice to keep  
her warm.

For her love I'd swim to China,  
But I'm not a rich goldminer,  
I can't buy her things like rings and  
fancy furs,  
But I'm still not gonna back up,  
Gonna paint my little shack up  
And I'll tell her if she wants it,  
Well, it's hers!

VAYA CON DIOS  
(May God Be With You)

LARRY RUSSELL INEZ JAMES BUDDY PEPPER

Now the hacienda's dark the town is  
sleeping  
Now the time has come to part,  
The time for weeping, vaya con dios  
my darling,  
May God be with you my love.  
Now the village mission bells are  
softly ringing  
If you listen with your heart  
You'll hear them singing, vaya con dios  
my darling.  
May God be with you my love  
Wherever you may be I'll be beside  
you,  
Although you're many million dreams  
away.  
Each night I'll say a pray'r a pray'r to  
guide you  
To hasten ev'ry lonely hour of ev'ry  
lonely day  
Now the dawn is breaking through a  
gray tomorrow  
But the memories we share are there  
to borrow  
Vaya con dios my darling may God be  
with you my love.

## THE MOON IS BLUE

SYLVIA FINE HERSCHEL BURKE GILBERT

Money grows on trees, the desert starts  
to freeze,  
Cats converse in perfect Pekinese  
And sometimes a dream like you  
comes true,  
Now and then when the moon is blue.  
So perhaps could be that ordinary me  
Stands a chance with extra special you.  
They tell me that miracles come thru',  
Just terrif' if the moon is blue.  
I'm in your spell and folks are talking;  
They might as well; can't be denied,  
How can I hide the fact that I go  
walking  
With both my feet ten feet above the  
sidewalk.  
Now I think I see a taxi up a tree,  
A lamp post and a spaniel drinking tea.  
So tell me that you can see it, too,  
A month of Sundays coming up in  
June.  
Because the moon is blue.

## IF I SHOULD LOVE AGAIN

J. FRED COOTS MICKEY ALPERT

If I should love again,  
If I should love again,  
I'll give my love to nobody else but  
you.  
You've been so dear to me,  
You've made things clear to me,  
And I can see my wonderful dreams  
come true.  
When hearts are broken and romance  
ends,  
One tender word of love is spoken  
And then it mends.  
So here's to love again,  
If I should love again,  
I'll give my love to nobody else but  
you.

# THE MUSIC STAFF

Hi Gang,

Great big news for all of you! To open up our Fall cavalcade of HIT PARADER's exclusive features, we give you the Eddie Fisher Contest — with some real great prizes. Just imagine spending the day with Eddie, seeing his TV show and having lunch with him. Man, that's what we call really living! Don't forget to check the details of the contest and get your entries in just as soon as possible. Talking about Eddie, we have a picture page of his trip to London and a cute little story on the doings of his fan clubs. Remember, all the details of our contest can be found in the center section of this issue. We wish all of you the best of luck.

We decided that it was about time we got America's Number One band into the Ballroom for you this month. It wasn't an easy job, but we managed to get an interview with the "Young Man With The Horn," Ray Anthony, and his boys and girls. We took some fine pictures and chatted awhile with Ray. The results will be found in our Ballroom feature.

Everybody seemed to like the nation's top disc jockeys answering the questions that we received from our readers, so once again we spot eight of the leading twirlers from the four corners of the land. We hear this month from Chicago, Ill., Salt Lake City, Utah; Newark, N.J.; Columbus, Ohio; Mobile, Alabama; Lancaster, Penna; and Biloxi, Miss. This, of course, will be found in our "Disc Jockey Platter Patter" section.

We are trying something new with one of the top foreign language songs. The tune "C'est Si Bon," as recorded by Eartha Kitt on RCA, looks like it's going to be a big one, so we took the French lyrics and simplified them. Now all of you can sing and understand "C'est Si Bon" with ease.

Here are the latest doings from the music world:

Listen for a new recording by Al Alberts of the Four Aces. Al has a few sides that he recorded as a single on the Decca label, and they really sound terrific. Don't worry — Al still sings with the Aces, turning out those wonderful hits. All the bands are back again in full swing, and they will be "prom-trotting" to all the major campuses, playing for a lot of big Saturday night dances. Ray Anthony, Billy May, Johnny Long, the Dorsey Brothers and Sammy Kaye are already booked solid — so be on the lookout for them.

Well, that just about does it for this HIT PARADER, so we will sign off for the present. Till we meet again, the staff says, "So long for now."

## PLEASE PLAY OUR SONG (Mister Record Man)

BOB MARCUS LARRY STEWART  
When two lovers have a quarrel,  
They say things that are untrue;  
But music has a won'drous power,  
So this request, I beg of you

Please play our song, Mister record man,  
And maybe we'll be sweethearts again.  
I know that she'll be list'ning by her radio  
Maybe she'll forgive me, gosh, I love her so

Say I was wrong, Mister record man,  
And don't forget to mention my name.  
Won't you please play our song,  
Play it all night long,  
And bring us back together again.

## THE ONE IN YOUR HEART

(Columbia Record by S. Kaye)  
HAROLD LAWRENCE ISHAM JONES  
Here we are in a night of romance,  
Stars up high light the sky;  
I see heaven so bright in your glance;  
Can it be there for me?

You're the ideal I cling to,  
It's you that I sing to,  
So, let me be the one in your heart;  
You can bring the sun to my heart,  
dear,  
If you'll only whisper "I love you."  
In this moment so tender,  
Let your love surrender,  
And let me be the one in your heart,  
For I long to belong just to you,  
sweetheart.

## WALTZ TO THE BLUES

LENNY ADELSON EDDY SAMUELS  
You've gone away although you  
promised,  
Promised you would stay  
Once our song was bright and gay,  
But now I waltz to the blues  
Since we're apart I hear the music,  
music, music start  
But my lonely-broken heart  
Will only waltz to the blues  
When we danced together the music  
had charms  
For I held my love in my arms  
But now there'll be a blue  
And mellow, mellow, melody  
Till your arms are holding me  
I'll only waltz to the blues.

## NO MATTER HOW YOU SAY GOODBYE

(I'm Gonna Cry, Cry, Cry)  
RALPH CARE SOL MARCUS  
No matter how you say goodbye,  
I'm gonna cry, cry, cry,  
No matter how you say we're thru,  
I'll still be blue, blue, blue.  
You found somebody new,  
I know I'm losing you,  
So darling, what am I to do?  
No matter how you say goodbye,  
I'm gonna cry, cry, cry.

## BUTTERFLIES

BOB MERRILL  
Darling, why do I get butterflies  
Ev'rytime I'm kissing you-oo?  
When you hold me tight and close  
your eyes  
Do you get the butterflies, too-oo?  
Do the stars go whirling 'round and  
'round  
When we're alone, we two-oo?  
Does your heart go floating off the  
ground,  
Flying just like the butterflies do-oo?  
Butterflies red, butterflies blue-oo,  
Oh, how they flutter up and butter up  
my view!  
I picture rings, weddings 'n things  
I hear an organ play and someone say,  
"I do-oo."  
Darling, why do I get butterflies  
Ev'rytime I'm kissing you-oo?  
When you hold me tight and close your  
eyes  
Do you get the butterflies too-oo?

## TELL HER FOR ME

SELMA CRAFT MORTY CRAFT  
Tell her for me I'm tired of crying  
Tell her for me I'm thru feeling blue.  
You can say that I'll never fall again,  
Never beg for another chance.  
You can say that I'll never fall again  
For an off and on romance.  
Tell her for me I'm glad it's over.  
This is goodbye, my heartaches are  
thru,  
And if she should want another heart  
to break,  
Another broken dream for two,  
Tell her for me to find somebody new.

## THE LOVERS' WALTZ

JESSIE MAE ROBINSON  
Violins are playin' and all the world is  
new  
When I dance the lovers' waltz with  
you  
And my heart is sayin' forever I'll be  
true  
As I dance the lovers' waltz with you  
If I were a queen I would give up my  
throne  
Just to have you near me,  
To call you my own  
Hold me close my darlin'  
Until the night is through  
While I dance the lovers' waltz with  
you.

## GO HOME JOE

(Columbia Record by Judy Garland)  
IRVING GORDON  
Go home, Joe while you can,  
Go home, Joe be a man  
You've got ties that bind you,  
Bind you to the past  
Don't let her kisses blind you,  
They're not made to last  
So go home, Joe, where there's love,

This is not the kind of life that you're  
dreaming of  
So go home, go home, Joe.

**A FOOL WAS I**

ROY ALFRED KURT ADAMS

A fool was I to fall in love the night

I found you,

I built my day-dreams all around you,

Oh, what a fool was I you made me  
cry,But with the tears my love grew  
stronger,

Without you ev'ry night grew longer

Oh, what a fool was I.

The more your lips didn't want me

All the more I wanted you.

I loved you so much and darling I  
still do.A fool was I to sit and cry my empty

start out

To be a fool again.

A fool was I to be a fool again.

**THE HILLTOPPERS**

**BACK TO BACK**

**Joni James** **Johnnie Ray**

"Back to back," the dream of every recording artist, seems to be a mighty elusive object to obtain. Ask any of the top stars. They'll tell you it is the most strived-for honor that can be achieved by a singer. What are we talking about? What is this "back to back?" Well, the Hilltoppers can tell you. If you asked Johnnie Ray, he would be able to let you know. But, since that is almost impossible, we'll take over for them and enlighten you on the subject.

Let's go with the Hilltoppers on a record-cutting date. The boys have talked it over with their managers and arrangers, and they have decided to record for their Number One side a new song called "I'd Rather Die Young." They think that it should do pretty well. It has a nice tune; the lyrics are fresh—a perfect number for lead singer Jimmy Sacca. O.K., fine. They are all set up. But what are they going to record on the other side? They want a tune that will match their first effort and maybe stir up a little business on its own.

Once again, they go into a huddle. A few songs are discussed. The boys say no. Another tune looks good. They like it—but their manager doesn't, so out it goes. Finally someone quite casually begins to whistle a melody that was popular way back in 1932. Everyone stops a minute and listens. Yes, maybe we can give this song a modern beat, dress it up a little—and, who knows? Maybe it'll sell a few

copies. After all, Johnny Mercer did write the lyrics. O.K., give it a try.

So, the Hilltoppers wax "P.S. I Love You" as their second side. The record goes out to the juke boxes, the deejays and the record shops. First they hear "I'd Rather Die Young." They like it. Then someone wants to know what's on the flipside. They turn the disc over and listen to the strains of "P.S. I Love You."

Before long the record spinners play millions of requests for both sides. The music fans begin dropping nickels and dimes into the juke boxes. First they play "I'd Rather," then "P.S." Sometimes the process is reversed. Pretty soon both tunes hit the national best seller lists. Yes, the Hilltoppers had two hits, two big ones on the same record. Back to back, they had made the charmed circle.

Johnnie Ray is another artist who can claim two top smashes on a single disc. Can you guess what they were? Well, "Cry" and "Little White Cloud That Cried" did the trick for the fabulous "Mr. Emotion." A third vocalist who hit the musical jackpot with two hits on one waxing is cute Joni James. On the second coupling of her career, Joni recorded "Have You Heard," backed with "Wishing Ring"—both of which became top sellers.

"Back to back," two hits in one, still remains the highest goal for anyone in the recording business. Who will be next? We'll just have to wait and see.

## (Some People Have To Learn) THE HARD WAY

IRVING GORDON

I should have known you were my true  
love  
And the others meant nothing at all  
But some people have to learn the hard  
way  
The way of lonely nights and tears that  
fall  
Your love was the sweetest my heart  
ever knew,  
But I didn't know my heart  
'Til it was broken in two  
For some people have to learn the hard  
way  
And the hardest thing to learn is  
forgetting you.

## TELL ME YOU DON'T LOVE ME

JANE PAULETTE

Tell me you don't love me look me in  
the eye,  
Tell me you don't want me then I'll  
say goodbye.  
We've had our quarrels just as others  
do;  
But when they're all thru, I'm still in  
love with you.  
Tell me you don't need me much as  
I need you,  
Tell me you won't miss me then I'll  
know we're through.  
If this love of ours is over if it's really  
true,  
I'll just have to tell this heart of mine  
To please stop loving you.

## THE LONG WAY WAS THE RIGHT WAY

JEFF HILL

I met her, I loved her, we married  
But soon she forgot what she said  
For one day I found she was sharing  
Her love with another instead.  
Broken, broken was my heart  
Broken, for she was untrue.  
Broken broken was my heart  
When she said her new love she'd  
wed.

And then I met you and we married  
But this time there is no mistake  
Tho' I took the long way around, dear,  
It turned out the right way to take.

## ANGELINA

TOMMIE CONNOR EDWARD LISBONA

For a while we must part,  
But I leave you my heart Angelina,  
Angelina,  
Hold me closely and then,  
Let me kiss you again, Angelina,  
Angelina;  
And when the harbor's faded far into  
the night,  
Your true and tender love will be my  
guiding light;  
Thru the storms and the calms,  
Till I'm home in your arms,  
Angelina, Angelina, wait for me.

## PRETTY BUTTERFLY

SUNNY SKYLAR

Pretty butterfly, you're cryin'  
'Cause your bumble-bee went flyin'  
Dry those teardrops in your eyes of  
blue.  
Let him fool around because there  
comes a time  
When bees go buzzin' and get sweeties  
by the dozen,  
But they always come back when they're  
through.  
Stop your yearnin', he'll be returnin',  
Then you'll flap your wings the way  
you used to do.  
Pretty butterfly, stop cryin'  
When he's all through butterflyin'  
He'll bring all his honey back to you.

Tears keep buildin' till they back up,  
Stop your cryin' or you'll crack up.  
Have a little patience, butterfly.  
Don't you know professors tell you  
bees get busy  
When they're growin' and their wild  
oats they start sowin',  
But they learn a lesson bye and bye.  
Keep your chin up, you're still his pin  
up  
Bet he keeps your picture in his wallet  
too.

Pretty butterfly, stop cryin'.  
When he's all through butterflyin'  
He'll bring all his honey back to you.

## WHAT HAPPENED TO THE MUSIC

CAROLYN LEIGH BOB SADOFF  
NACIO PORTER BROWN

What happened to the music of not so  
long ago?  
Where are the good old fashioned songs  
we used to know?  
Melodies just made for turtle dovin',  
Made your baby be your ever lovin',  
I'd love to hear the music,  
But when they play it now,  
It's not the same somehow.  
And I just won't be happy till I solve  
the myst'ry  
Of what happened to the music of  
love.

Who gives a hoot about crawfish pies,  
A boat load of shrimp or whether stars  
get in your eyes,  
Tangoes only two can hope to dance  
to

Where are the songs we used to find  
romance to?

Come on-a-my place  
My bambino all those crazy sound  
affects they use.  
I'd give a million dollars for a good old  
fashioned blues.

Imagine kissin' an old wild goose,  
Or dreaming a dream with someone  
singin' "What's The Use?"

How can anyone be happy  
While they let romance go out of  
style?

And if nobody feels the way I do  
The song I'm singin' is the answer to  
What happened to the music of love.

1941—Spike Jones, who tickles the  
skins with John Scott Trotter's band  
on the Bing Crosby shows, started his  
career at an early age. His mother, to  
save the utensils, broke the rungs off  
an old chair to curb his house-wreck-  
ing inclinations. With that background,  
Spike is thinking of starting his own  
band and he would like to tour the  
country... Victor has renewed Sammy  
Kaye's contract for two more years  
... Vaughn Monroe's rhythmic crew  
supplied the music when the Ilka Chase  
series, starring Yvette in the singing  
department, returned to NBC on  
October 8... The best news for the  
lovers of real classical music is that  
Leopold Stokowski is directing the  
NBC Symphony Orchestra for the sea-  
son... The fast-talking Jerry Lester  
has taken Bob Burns' place on the  
Kraft Music Hall Thursday nights and  
bears watching... Frank Fay, who  
is back on the air with a new show,  
has been a terrific click at La Martin-  
ique. Another program we can all look  
forward to is Mr. and Mrs. North,  
based on last year's Broadway success.  
This is a mystery show that features  
the husband-wife team matching wits  
with the underworld... Sammy Kaye  
of the Essex House is a favorite  
among the New York sub-debs; while  
Benny Goodman at the New Yorker  
and Eddie Duchin of the Waldorf are  
not far behind... Xavier Cugat, who  
is as good a painter as he is an  
orchestra leader, is now on a Latin  
American concert tour from coast to  
coast... Elsa Maxwell's favorite  
programs are the mysteries, Bulldog  
Drummond and Sherlock Holmes...  
Connee Boswell will leave the Kraft  
Music Hall, and Mary Martin, the gal  
who says her "Heart Belongs To  
Daddy," will take over... Pretty  
Martha Tilton getting much publicity  
from her singing on the Fibber McGee  
and Molly show... Garry Moore,  
emcee on "Service With A Smile," is  
one of the busiest men in radio...  
Hal McIntyre, former sax star with  
Glenn Miller, bows in on the Bluebird  
label with his brand new and promising  
aggregation... Rise Stevens, beauti-  
ful opera singer now being seen in the  
motion picture "The Chocolate Soldier,"  
is a graduate of the Milton Cross Sun-  
day morning children show... A  
quick look-see of the top tunes  
played on the networks reads like this:  
"The Anniversary Waltz," "Bewitched,"  
"Blues In The Night," "Chattanooga  
Choo, Choo," "I Don't Want To Walk  
Without You," "I Don't Want To Set  
The World On Fire" and "Jersey  
Bounce"... A young boy who is play-  
ing a lot of trumpet for Glenn Miller  
bears watching. His name is Ray  
Anthony. The boy is only nineteen and  
he already has played a year with the  
Miller orchestra.

We can't remember when any tune last captured "top-ten" honors in all three music fields — but, at the present writing, a beautiful ballad entitled "Crying In The Chapel" appears way up there in the Popular, Country-Western and Rhythm and Blues categories, according to nation-wide polls and surveys. Many songs have "hit the charts" in two of the three fields, but it is indeed a rarity for a number to push toward the top in all three — and only a month after its release.

Starting life as a Country-Western tune, "Crying In The Chapel" was penned by Artie Glenn especially for his seventeen-year-old son Darrell, an up-and-coming folk balladeer. The elder Glenn, a veteran Western band man and composer, wanted nothing else than to see his son become the greatest Western singer of them all and decided that the two ought to combine their talents. Artie's hunch brought quick results, and today this father-and-son combo has provided the American music world with the most potent one-two punch in a decade. The actual inspiration for the song was gotten from the little church across the street from the Glenn home in Fort Worth, Texas. It seems that young Darrell teaches Sunday School there,

and his dad simply built the song around him and the "chapel."

Last April, when one of the largest music publishing houses in the nation decided (regrettably) that "Crying In The Chapel" did not quite fill the bill and that Darrell Glenn was too young and inexperienced to make the grade, the Glenns were approached by Jack Comer and Dave Garrison, partners in Valley. The infant publishing and recording firm immediately offered contracts to both Artie and Darrell, and thus began one of the most profitable and mutually satisfactory working agreements in music history.

As the song began to catch on, Valley was approached by 13 other publishing companies wanting to exploit it in the U.S. and abroad. Darrell has also been subjected to considerable "romancing" by other recording companies, but has turned a deaf ear to them all.

Besides Darrell Glenn's Valley recording of "Crying In The Chapel," the tune has been waxed by eight other artists. The big disc in the Popular realm is owned by RCA Victor thrush June Valli, while the five Orioles' version on the Jubilee label is going strong in the world of Rhythm and Blues.

## BLUE CANARY

VINCENT FIORINO

Blue canary, she feels so blue  
She cries and sighs, she waits for you.  
Blue canary, the whole day long  
She cries and tries to sing a song.  
Boy canary will sing a tango.  
He will sing a sweet lullabye.  
He will try to chase your blues away,  
So please sweetheart, don't cry.  
Blue canary, don't feel so blue,  
For I know just what to do.  
It won't take too long to sing this song  
And then fly home with you.

Blue canary, she feels so blue.  
She cries and sighs, she waits for you  
Blue canary, the whole day long  
She cries and tries to sing a song.  
Blue, blue, blue canary,  
Tweet, tweet, tweet the whole day long.  
She cries and sighs and tries to tweet,  
Tweet, tweet to sing a song.  
Blue, blue, blue canary tweet,  
Tweet, tweet the whole day long.  
She cries and sighs and tries to tweet,  
Tweet, tweet to sing a song.

## IT CAN'T BE WRONG

KIM GANNON MAX STEINER

The night is warm, my heart is young,  
The moon is in the blue,  
The stage is set for me to fall in love  
with you.

Wrong, would it be wrong to kiss,  
Seeing I feel like this,  
Would it be wrong to try?  
Wrong, would it be wrong to stay  
Here in your arms this way,  
Under this starry sky?  
If it is wrong, then why were you sent  
to me,  
Why am I content to be with you for-  
ever?

So when I need you so much  
And I have waited so long,  
It must be right, it can't be wrong.

## IT'S ONLY HUMAN

HENRY NEMO TEDDY POWELL

It's only human to love you like I do  
And do the things they say I  
oughtn't to  
But who's to say when it concerns us  
two

It's only human yes, yes  
If I act fussy, or even grouchy too  
It's just the fear I have of losing you  
The love in me brings on the things  
I do

It's not inhuman no, no don't you  
know,  
If I hurt you I just hurt, hurt myself.  
Can't you see, that my heart needs you  
It can't live, live by itself  
How many times did I get the same  
from you  
And with each tear, I thought our love  
was thru  
But then a kiss would start our love  
anew

It's only human yes, yes!

## A PURPLE COW

(Columbia Record by Doris Day)  
PAUL FRANCIS WEBSTER FRED SPIELMAN

The very day the day we kissed,  
I went to see my oculist,  
The oculist said "I insist, it looks like love."  
I never thought I'd ever see a purple cow.  
I never thought I'd hear a butterfly "mee-ow"  
I never thought I'd see these funny things somehow  
But you've got me seeing them now.  
I never thought I'd ever see a green giraffe,  
I never thought I'd ever see a waltzing calf  
I never thought I'd see a weeping willow laugh,  
But you've got me seeing them now  
Ev'rything's hazy upside down above  
Don't think I'm crazy I'm in love,  
I'm in lové, I'm in lo-o-ove,  
I never thought I'd ever see a purple cow  
You gotta be in love to see a purple cow  
But since the day you kissed me baby  
Take a bow 'cause you've got me seein' one now.  
It's better than bein' one, you've got me seein' one now.

## TOO YOUNG TO TANGO

SHEB WOOLEY

I'm old enough for huggin'  
But I'm too young to tango,  
Too young to tango, too young to tango.  
I go for jitterbuggin'  
But I'm too young to tango,  
But I'll grow up someday.  
Now, I've learned to dance to the square dance  
And waltzing's as easy as pie.  
But when we start to do the tango  
My heart starts racing like a bird on the fly.  
Oh, gee, what I've been missin'  
'Cause I'm too young to tango,  
Too young to tango, too young to tango.  
I'm old enough for kissin'  
But I'm too young to tango,  
But I'll grow up someday.

Too big to play with dollies  
But I'm too young to tango,  
Too young to tango, too young to tango.  
I can't get in the follies  
'Cause I'm too young to tango,  
But I'll grow up someday.  
A tango rhythm really thrills me;  
I tingle up and down my spine.  
I know I could find romance  
If I could only learn to do the tango  
With a fellow like mine.  
I'm old enough for pettin'  
But I'm too young to tango,  
Too young to tango, too young to tango.  
I know I'm only frettin'  
'Cause I'm too young to tango,  
But I'll grow up someday.

# Fisher FAN FARE!

Mobbed by fan club members, he receives congratulations on return from England

Many a strange request finds its way to the Eddie Fisher office at 221 West 57th Street, New York, but a recent letter from a Mid-Western manufacturer was probably the oddest. His letter went something like this:

"Dear Sirs: I am a manufacturer of cooling equipment with several teen-age daughters. Listening to them rave about Eddie Fisher's singing has convinced me that I would be wise to manufacture an Eddie Fisher Fan. I wonder if it would be possible to get permission from you to produce same."

Whether or not such a fan will ever be produced, no one knows — and it's highly doubtful. But one thing is sure. There are already millions of Fisher fans in the world — with more added every time the handsome young baritone sings a song.

E. F. headquarters in New York lists more than 1000 active clubs, ranging in size from a dozen members to as many as 500. And the clubs help tremendously to keep Eddie up on top.

The clubs have a lot to cheer about. Their boy has had 14 consecutive hit songs — a record which breaks even the long-standing Bing Crosby success skein. Eddie's "I'm Walking Behind You" was his thirteenth hit in a row — and superstitious fans crossed their

fingers and stayed away from black cats and broken mirrors. But Eddie came through for them again. His next record was "With These Hands" — and as everyone knows by now — that reached the Hit Parade, too. In fact, it reached the Top Ten within three weeks of its issue!

Fisher clubs are fortunate in that they can watch their star twice a week on TV. Eddie's "Coke Time" show, with 707 TV and radio stations carrying it, is seen or heard in almost every nook and cranny of North America. Eddie's Hawaiian fan clubs get a break, too, as the show is carried there by Kinescope.

Many clubs hold their meetings on TV days — starting them just before "Coke Time" goes on the air, and continuing them — inspired by his voice — after the show is over. Clubs not only carry on active campaigns to keep disc jockeys in their towns playing Eddie's records, but also try to carry out charitable work in his name.

For example, instead of buying Eddie a birthday present, Kathi Heimerle of Brooklyn, celebrated Eddie's birthday by collecting money from her members and other clubs to contribute in Eddie's name to the Damon Runyon Cancer Fund. The nickels and dollars rolled in, too, and Eddie felt it was one of the nicest presents he'd ever received.

## I'M WALKING BEHIND YOU

BILLY REID

I'm walking behind you on your wedding day,  
And I'll hear you promise to love and obey.

Tho' you may forget me  
You're still on my mind,  
Look over your shoulder,  
I'm walking behind,  
Maybe I'll kiss again with a love that's new

But I shall wish again I was kissing you

'Cause I'll always love you wherever you go.

And tho' we are parted  
I want you to know  
That if things go wrong dear  
And fate is unkind  
Look over your shoulder  
I'm walking behind.

## THERE MUST BE A WAY

SAMMY GALLOP DAVID SAXON

There isn't a place I can go,  
A place where you won't be missed,  
For there's not a place that I know  
Where mem'ries of you don't exist, but

There must be a way  
To help me forget that we're through;

There must be a way  
To stop me from dreaming of you.

There must be a star in the skies  
That isn't reflecting your eyes.

I just don't know how to disguise  
How much I miss you.

There must be a song  
That doesn't remind me of you;

There must be a kiss  
To thrill me like yours used to do;

I looked for a way to be happy,  
Happy with somebody new.

Oh! there must be a way,  
But I can't find the way without you!

## HEAVEN HELP THIS HEART OF MINE

WALTER G. SAMUELS LEONARD WHITCUP  
TEDDY POWELL

Something has happened I'm not the same,

Sweetheart and you're to blame,  
My heart's beating faster and faster,  
Does it mean joy or disaster, oh!

Heaven help this heart of mine  
I found a love that's new,  
The moment I set eyes on you.  
Heaven help this heart of mine  
Please handle it with care,  
It really isn't mine, it's yours to share,  
I only live for your love dear,  
I thrill with desire, my poor heart's afire

The moment you came it burst into flame.  
Should I find the fates unkind  
And lose your love divine,  
Then heaven help this heart of mine.

## I'LL GO ON LOVING YOU

BOB MERRILL

Stars may fall into the sea  
And spring may disappear,  
But my love, dear, for you will still be here.

I'll go on loving you  
With all the heart in me;  
I'll go on loving you,  
You're still a part of me.  
Go where you want to, dear;  
Give new love a try  
A million miles from here;  
The flame in my heart won't die.  
I'll still be holding you,  
As strange as it may seem;  
My arms enfolding you in ev'ry dream  
I dream.

Tho' you deny our love,  
Someday you'll need it anew,  
Until you do I'll go on loving you.

## VOLCANO

DES WILLIAMS

Volcano love is like a volcano,  
Always restless and wild like a wander-  
ing child

That can never be still,  
Volcano you live on a volcano  
Never sure of your ground,  
Love will spin you around  
You're a slave to its will,  
Love will take you to the clouds  
And have you dancing in the skies  
above

Then you're back among the crowds  
To try in vain to find the one you love,

Volcano love is like a volcano  
But if love came to me,  
I would so gladly be like a volcano.

Anything and ev'rything for stickin' with me

Hold me tight, and baby, you can have anything

Moving into the spot-light this month is one of the Southwest's most beautiful and progressive educational institutions, Austin High School in El Paso, Texas. The article which follows was prepared for HIT PARADER by the staff of the school publication, The Austin Pioneer. It deals with the fads and activities engaged in by both students and teachers and should prove of great interest to all our readers.

Once more we'd like to drop a reminder to those of you who'd like to see your own school featured in this

High School in El Paso, Texas, have established many. The seniors, believing themselves to be mature enough for a second childhood, declare an annual senior "Kid Day." On this day sophisticated senior girls, clutching teddy bears, appear in short organdy pinafores. Eminent football players adorn themselves with Buster Brown suits and water guns. Teachers and under-classesmen always welcome the 3:30 bell on "Kid Day."

With paint brushes and lunches in hand, the students of A.H.S. make a semi-annual pilgrimage to a Franklin mountain peak, where their famous "A" glares proudly to the world and to opposing schools. The "A" is set aflame for important football games.

Amid the cacophony of the school cafeteria, one may catch a word or two of Chauncy Klemm's disc-jockey show. During the lunch hour Uncle Chauncy gossips and spins the current top tunes. The show can be tuned in by any room in the building by permission of the teacher.

The football team, known as the "Panthers," receives enthusiastic support from the student body. The Panther Hot Rod has become a tradition at all school football games. The old car, which has a huge panther painted on its side, has recently become a convertible. The football queen, with her court, rides in the hot rod at the games.

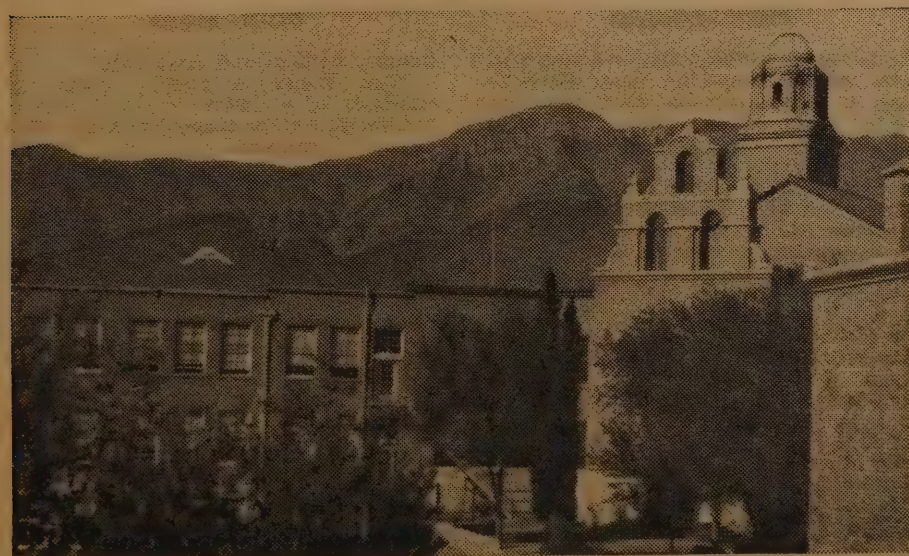

Among the greatest honors bestowed upon Austin students are the titles of "All-Austin" boy and girl. This year the faculty was proud to present the honor of "All-Austin Boy" to Fred Kriss. Fred has been a vital member of the football team since his freshman year. He ranks high academically, too, being a select scholar. The student body elected him to the position of Commissioner-at-Large, and he was chosen king of the school's biggest festival, "Austin-In-Action." Next year Fred plans to attend Ohio State University.

## P.S. I LOVE YOU

JOHNNY MERCER GORDON JENKINS

Dear, I thought I'd drop a line,  
The weather's cool, the folks are fine;  
I'm in bed each night at nine,  
P.S. I love you;  
Yesterday we had some rain,  
But all in all, I can't complain;  
Was it dusty on the train?  
P.S. I love you.

Write to the Browns just as soon as  
you're able,  
They came around to call;  
I burned a hole in the dining room  
table,

And let me see, I guess that's all;  
Nothing else for me to say,  
And so I'll close, but by the way,  
Ev'rybody's thinking of you  
P.S. I love you.

## SORTA ON THE BORDER

IRVING GORDON

I met my love one day, on the  
border,  
Down El Paso way,  
She was a little sad, a little gay,  
She was sorta on the border.  
I heard her say, "Senor,  
Tho I kind-a like you more and more,  
In Old Sonora, there's a matador,  
And I'm sorta on the border."  
I vowed that night I would love no  
other,  
I held her tight  
And if you want to know what happen-  
ed,

Brother, drop around and see,  
We've the cutest little family  
A girl that looks like a boy like me  
And one that's sorta on the border.

Come to me when you are lonely  
Come to me when you are blue  
I will kiss away your teardrops  
I will make your dreams come true  
Come to me when there are gray  
skies  
Come to me I'll make them blue for you  
I'll hold you and tell you I love you  
My darlin' if only you will come to me

## MY HEART KNOWS

JIMMY CASSIN

My heart knows that you are the one  
That I always will love  
My heart knows that you are the  
lover  
That I'm dreaming of  
We walk side by side  
How I thrill when you whisper my name  
The touch of your hand  
And my heart seems to burst into  
flame.  
You are the angel of love that I  
prayed for;

You are the one I will always adore,  
I look in your eyes  
And a heaven on earth I can see,  
My heart knows that you are the  
heaven on earth meant for me.

## ALL-TIME FAVORITE SINGING STAR

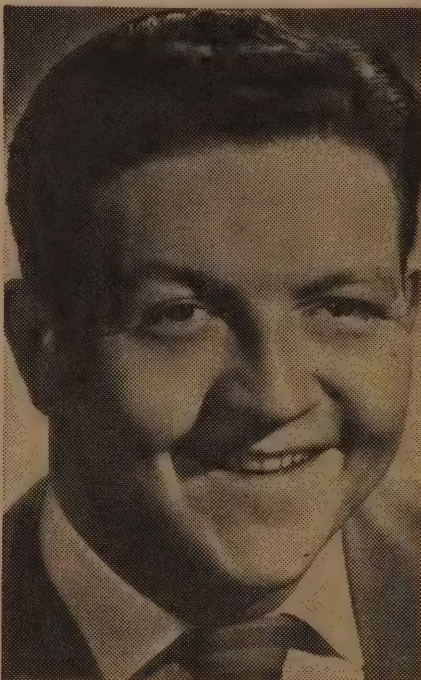

"Greetings to all from Mother Hubbard's little boy, Eddie, broad-casting from WENR, WIND and WJJD here in old 'Chicagoland.'

"Having been in this hectic busi-ness for a great number of years, I have seen an infinite number of vocal-ists come and go. Many of these, with their props, gimmicks, etc., hit it big with one record and then lose their popularity because they found that they could not put over a song without the aid of these so-called gimmicks. Very few singers are able to stay in the race long enough to be termed a 'standard' in the music business.

"This brings me to HIT PARADER'S question of the month regarding my favorite all-time all-around record artist. My reply — Perry Como. To me,

Now let's see what Doug Smith of WSLs-AM-FM-TV, Roanoke, Virginia, has to say on the subject of all-time favorite singers. The 25-year-old record twirler is one fellow who talks straight from the shoulders on musical topics, telling his listeners what he likes or dislikes and why. The folks in the WSLs listening area seem to like this approach because the rating of his shows keep going up.

"My choice of an all-time vocalist is the incomparable Frank Sinatra. There are many reasons why I select Sinatra. One is his remarkable versa-tility. He can do any type of song and do it well. Consider, for instance, the outstanding treatment he gave some time ago to that favorite oldie, 'The Birth Of The Blues.' It was warm,

EDDIE HUBBARD

he is extremely versatile — a man who can take on anything from Bach to bop and make it sound as if the song were meant to be sung by him and him alone. Having had the same sponsor as Perry for over five years and frequently taking over the emcee chores on his past radio venture, the 'Chesterfield Supper Club,' I got to know the old barber quite well, and, contrary to remarks concerning many other performers, I never heard any bad publicity or criticism directed at or connected with Perry. He has main-tained this popularity for the past de-cade, proving conclusively that he's constantly on the ball. Further proof lies in the fact that Perry has had more hits in the past year than in any other year in his career. He seems to improve with age.

"I had lunch with Tony Martin re-cently, and he had nothing but praise for Perry—quite an endorsement since both perform on RCA Victor label."

DOUG SMITH

human, musical and melodious.

"But Frank is equally good on numbers of a faster, more frivolous nature, as well as those that plumb the depths of romantic sentiment. Add to those qualities his naturally appealing voice, plus an individual style, and you have all the ingredients of a great popular artist."

"Frank Sinatra has been an out-standing popular favorite for more than a decade, and he remains so in spite of bad publicity and a number of bad breaks. His popularity is not confined to the United States; he is also cordially received abroad. Even as I write, he is making a highly successful tour of Europe. As far as I or anyone can tell now, Frank is good for another couple of decades of con-tinued popularity. After carefully con-sidering all the varied and valuable contributions he has made to the popular music scene, I am convinced he is my favorite all-time singer."

# PLATTER PATTERN

## FAVORITE SINGING STAR

Here's Wayne Cody of KALL in Salt Lake City, Utah. One of the friendliest guys in the business, Wayne has been connected with radio for over 20 years and was spinning records long before the term "d.j." came into existence. He spent most of these years back East, working in and around Philadelphia, before coming to Salt Lake City about four years ago.

"For a gal who can sing in any mood, any tempo and for styling, give me Peggy Lee. I've known the gal even long before her Benny Goodman days, and her star has risen steadily and for many reasons.

"I interviewed Peggy many times and she will not do a song that she doesn't like and feel. Knowing the music business, you can readily under-

WAYNE CODY

stand this places a singer in some funny predicaments, but it has paid off for Peggy Lee. She has told me she must like the song, must feel it's right; and then comes countless hours of getting the perfect presentation before it is waxed.

"If some of our young coming singers followed this gal's advice, we would be less snowed under with inferior recordings, and the whole recording industry would profit. She's great!

"Here are Peggy Lee's five top records in my book: 'I Wanna Go Where You Go Then I'll Be Happy', 'Them There Eyes', 'It's A Good Day', 'Love, Your Spell Is Everywhere', 'Lover'.

"Recently in Reno, Nevada, at the Golden Hotel, I saw this gal hold an audience spell-bound for 42 minutes. Many gals are prettier, many gals have more glamour, but for down-right artistry, give me Peggy Lee."

## PROMISING NEW SINGER

Meet Gary Lesters of WVNJ, Newark, N. J., whose "Music Hall" and "Pops On Top" shows rate highly with New Jersey pop music fans.

"Of the mass of singers to come and go in the past few years, there's only one (as far as I'm concerned) who'll be around for a long time. He's a young man with an abundance of natural personality. Some say he sings like Frank Sinatra. If he does, it's not because he wants to.

"The current success this vocalist is enjoying is not something he considers he's got coming to him. As a matter of fact, to this day, he can't believe it's true. He's humble, sincere and grateful. A sign of his gratitude is the fact that he can make many times over the money he's making

GARY LESTERS

now, but prefers to remain where he is — just another member of a popular TV show.

"There are those who have lost these important qualities, and more who are going to lose them. Not this fellow! How do I know? He doesn't need any gimmicks. His singing is natural, a gift. His voice has quality and quantity. He's ambitious enough to want to learn.

"Currently, along with his vocal coaching, he's studying dancing, skating and about a dozen other accomplishments. He has to, the 'old man' insists.

"Perhaps I'm sticking my neck out, but here's my prediction for this fellow. In a few years he'll hit Hollywood. His record sales will be among the tops. He'll rate as high as Como or Crosby. And we wish him all the success in the world. To me, he'll always be one of the nicest guys in the business. Just plain Julius La Rosa!"

## TOYS

BOB MERRILL

Listen here, little girls and boys,  
You can lose your only heart at love;  
So why not stick to toys?

There should be toys for girls and boys

Who only play at love.

Just paper toys for girls and boys

Who never stay in love.

There should be hearts that take a fall

And bounce just like a rubber ball,

And little dreams that tumble down

And come up laughing like a painted clown

I gave my lips, I gave my arms,

I gave you all my heart;

Too bad my lips, too bad my arms

Were playthings from the start.

Now that it's done my poor heart

weeps;

You played for fun, I played for keeps

There should be toys for girls and

boys

Who only play at love.

## THE TA TA TA SONG

JACK FOX

Ta ta ta ta ta ta, honey lamb and me,

We like to ta ta ta ta all day.

If you need an explanation,

Kissin' is ta ta ta ta!

Ta ta ta ta ta's such fun honey lamb and me,

We're practic'ly never done nay, nay.

Storin' up an extra ration of tasty

ta ta ta ta!!

Today I called her on the phone

'Cause I was lonesome and alone

And who should answer but her ma!

So I just asked her ma if she would tell

My honey lamb for me, "ta ta ta ta ta ta!"

We don't get around too much

But to all the folks who think we are out of touch

We say we have got our own sensation,

We've got ta ta ta ta ta!!!

We've got ta ta ta ta ta!!!

## HEARTBROKEN

PHIL SPRINGER FRED EBB

Heartbroken since you went away

That's what they say, they say my heart is broken

They whisper as I'm passing by

That ever since you left me all I do is cry!

Heartbroken that's the word they use to spread

The news that our romance is over

They say that I have kissed my dreams goodbye!

They think it hurts me that you're untrue.

They think it hurts me that you're with someone new

Heartbroken so the rumor goes,

It grows and grows, now ev'rybody's talkin'

They think I'm stayin' home each night alone and heartbroken

And they are oh so right!

## WHERE THE WINDS BLOW

(Columbia Record by Frankie Laine)

TERRY GILKYSON

Got to travel thru' rain and snow  
And follow the trail where the  
mountains grow  
Where the winds blow — where the  
winds blow.

Maybe I'll ride over yonder  
Maybe I'll hide — maybe I'll wander  
Gotta have time just to ponder my soul.  
Maybe I'll go where the winds blow.  
Sheriff is ridin' behind me  
Thinkin' that he's goin' to find me,  
To the live oak he would bind me I  
know  
Danglin' low — where the winds blow.

Keep a movin' on you durned ol'  
Charlie horse  
Take me to the hills.  
You better be right in a two gun fight  
Or push up the daffodils.  
But if you beat him to the draw  
You gotta get shot or break the law.  
Keep a movin' on you durned ol'  
Charlie horse  
Where the winds may blow.

Maybe my gal knows my sorrow,  
Gotta have time I can borrow, but, no,  
Can't let her go — where the winds  
blow.  
Wonder if she's thinkin' of me  
Watchin' the same stars above me.  
How can I ask her to love me and go  
Where the winds blow — where the  
winds blow

Got to travel thru' rain and snow  
And follow the trail where the winds  
blow  
Where the winds blow — where the  
winds blow.

## DUMMY SONG

LEW BROWN BILLY ROSE RAY HENDERSON

Johnny got a furlough and  
He took it on the run  
To see his little hon'  
And have a little fun  
He found her with a sergeant,  
She was bouncing on his knee  
And Johnny yelled  
"No wedding bells for me!"

I'll take the legs from some old table  
I'll take the arms from some old chair  
I'll take the neck from some old bottle  
And from a horse I'll take the hair  
I'll take the hands and face from off  
a clock  
And baby, when I'm through  
I'll get more lovin' from that dum dum  
dummy  
Than I ever got from you.

Came another furlough and  
He called her on the phone  
He said "Are you alone?"  
She said, "No, no, my own  
I'm sitting with your Col'nel  
And he's lovely company"  
And Johnny cried "Ha ha, ho ho,  
hee hee!"

"My name is Gene Fullen. I have lived thirty years — and have spent seventeen of those in radio and stage work. I started at thirteen doing odd jobs around radio stations, and, according to my listeners, I haven't changed. My big job is 'Club 33,' broadcast six nights a week over WBNS, Columbus, Ohio. The show has a good audience, a good rating — and a fan club.

"I'm a Kansas wheat-and-milk-fed product — and rightfully proud of my state because those dust-laden flatlands have produced several very fine entertainers. I shall mention two.

Residents of Lancaster, Pa., have been getting up each morning for the past two years to the antics of Dick Sherbahn, one of the most colorful mikemen ever to appear in the area. When broadcasting his "Wake Up Smiling" show every morning over WLAN, Dick does just about everything but stand on his head. Besides this program, he emcees the "Platter Parade" every afternoon from 3:30 to 5:25.

"In my opinion, the most promising 'new' singer to come along this year is Norman Brooks. You might ask why, since he is a vocal 'carbon copy' of the late, great Al Jolson — a fact many people realize, and, for that reason, dislike Norm's talent. I myself dislike imitators; that is, those who

for Columbia and is doing quite well. His is a truly fine voice and will someday, I believe, be as familiar as ice cream. The other talent is one I am proud to be associated with, if only in an abstract sense. He is Willard Robison, who wrote 'Don't Smoke In Bed,' 'Missouri Walking Preacher' and much music about the riverboats — and about life in general. His is a music that tells a story, like his complete suite about Will Rogers or the works of Abe Lincoln. It's hardly the top ten material of today, and America will probably not really come to love Willard's music until he is gone. But with guys who are his personal friends (Jack Teagarden, Johnny Mercer, Louie Armstrong and myself — if I may be included in this famous roster), Willard Robison has been a guiding hand in the music of America that will be felt strongly someday."

capitalize on someone else's success. However, it has always been an adage in show business that 'the show must go on,' and, if someone is capable of stepping into the shoes of the star and doing as good a job, then I feel the imitation or similarity is justified. Had Norm made his entrance into the singing field while Al Jolson was alive, his performance would have suffered by the fact that Al was still singing, and the comparison would always be applied . . . so much that his career would have gotten nowhere. To me, no one will ever replace Al; but in Norman Brooks, I feel there is enough talent and sincerity to very capably carry on, not necessarily for Al, but for America's own musical enjoyment.

"As yet, Norm hasn't centered his singing on many of Al's tunes, which is very much to his credit. The imitation is only in his style . . . not his catalog of songs."

## PROGRAMMING A D. J. SHOW

Ex-Canuck John Dixon from Montreal writes from the "Azalea City," Mobile, Alabama. Aired daily over WALA's 5000 watter are John's top-rated "Music On The Sunny Side" and "Dixon On Disc" d.j. shows.

"My favorites, either artists or tunes, take a back seat when it comes to picking the discs to spin on my shows. Selections are based solely on listeners' reactions, reflected in various up-to-date, national popularity polls.

"However, even as I've mentioned from time to time on the air, by being in a position to listen to all types of music, played and sung by so many different bands and singers, each featuring a different arrangement and style; with gimmicks, echo chambers, toy instruments, animals etc., only a

"After talking with some of the leading band men; such as Johnny Long, Ray Anthony, Glenn Williams, Penny Mayo and scores of others who are interested in the latest trend of the entertainment world, I think adding lyrics to some top instrumentals is a boost to the orchestra, especially if they feature a top-notch vocalist. Of course, all instrumental tunes cannot stand the lyric treatment, just as some types of music can't be played without a vocal. The lyric may possibly take

few, and I repeat — only a few bands and vocalists — are worthy of being sifted through this conglomeration of 'talent'!

"Further, these few constitute a group that consists of fewer still, if any, newcomers. I suppose this can be attributed to a rapid day and age, in which, when a new artist or song is introduced, he receives so much attention that a point of over-saturation is soon reached, and, as a consequence, the artist or song dies a rapid death.

"Fortunately, there are exceptions to this rule; and in my opinion, artists who would come under my list of favorites would represent those who have been able to survive this talent-consuming industry on the strength of natural ability, or more precisely, to coin a word over-used in the business, 'talent.' These would include: Eddie Fisher, Perry Como, Bing Crosby, Nat 'King' Cole, Frank Sinatra, Rosemary Clooney, Jo Stafford and Dinah Shore."

BILL COLLINS

some of the effectiveness away from the music. After taking a poll of my listeners, I find that at particular times of the night, they actually prefer the instrumental music to the vocal arrangement.

"Just for a brief moment, here's how the nighttime entertainment stands: After starting the evening with the news, it's a half-hour of waltz music by popular demand. Then comes the 'Beachcomer's Serenade,' a two-hour request program that is varied and very unpredictable. A half-hour session called 'Wacky Wax' is my favorite. It gets its name from the type of (ugh!) nonsense that persists. Believe it or not, but at three a. m. people actually listen to this sort of carrying-on and claim they enjoy it. Then for variety a drama such as 'Proudly We Hail' fills a half-hour of the a. m. From 5:00 to 6:00 a. m. comes the 'Ten Top Tunes' of the day. Also featured are the new releases."

## THIS WALTZ WITH YOU

MEL HOWARD LEE ERWIN

If I could be dancing this waltz with you  
I'd whisper "I love you, you know I do"

But my arms are empty my heart is sad  
I need your loving to make me glad  
If I could be holding you close to me

The mem'ry would thrill me eternally  
And I know you would love me if you only knew

How I'd love to be dancing this waltz with you.

## ANNA

(Columbia Record by Ken Griffin)  
WILLIAM ENGVIK R. VATRO  
F. GIORDANO

There's a girl who the fellas agree

Is a girl ev'ry guy ought to see.

Take a look, take a look and you'll find

That you can't get her out of your mind.

Who can say what it is that she's got,  
Makes you think that it's spring when it's not.

Take a look, take a look and you'll say,  
"What a day! what a day! what a day!"

Anna's got that certain something that tops the list,

The kind of lips you'll never resist,  
They've got to be kissed,

They've got to be kissed, right away!  
Whenever Anna's around you'll hear

a sorrowful sound,

That sound that hearts are makin' When they break in two.

The fellas look and they fall,

But she can't help it at all,

It's just as nat'ral as the sky is when it's blue.

Anna smiles and all the world is a rosy mist,

And soon your heart'll start to insist

She's got to be kissed,

She's got to be kissed right away!

There's a way.

## THE SENTIMENTAL THINGS YOU DO

BOB MERRILL JERRY LIVINGSTON

All the things you do,  
And all the things you say,  
I keep them locked away  
In my memories' bouquet:

The sentimental things you do  
They keep me so in love with you;  
A whisper while we dance a funny little glance

Or one of any thousand things,  
That touch my heart and pull the strings.

The sentimental things you say  
I keep them with me night and day  
So thrill me, thrill me with your love;  
I'm longing for a lifetime of the sentimental things you do

Yes, the sentimental things you do.

# Popular RECORD REVIEW

Curly-haired Guy Mitchell looks as though he has another winner in his latest Columbia dinking. Entitled "Chicka Boom," the tune is a typical Bob Merrill effort — the kind with which Guy has had so much success in the past. Handclapping, French horns and the fine backing of Mitch Miller provide the clincher. The bottom half, "Cloud Lucky Seven," is also in the style which has become identified with Guy. It, too, is a lively, jumpy item which should do okay.

Joni James' newest MGM release, "My Love, My Love," is a tender, dreamdusted ballad that's already starting to zoom. Now one of the established thrushes in the music biz, Joni gives this beautiful number her usual slow, sincere delivery. On the underside, tagged "You're Fooling Someone," the gal changes pace and moves through this shuffle item in a catchy, multiple-voice manner. Both lids have a great deal of potential, but "My Love, My Love" looks like the big one.

A tune that should get a lot of disc jockey play is Don Cornell's new waxing, "Please Play Our Song." This number also has great juke box appeal, giving the popular Coral artist another sure-fire hit. It's a tricky piece, done just right by Don, with a healthy assist from Norman Leyden and the ork. The underside, "If I Should Love Again," is a smooth ballad in the familiar, big-voiced Cornell manner.

Bill Haley and his Comets follow up their smash Essex recording of "Crazy, Man, Crazy" with another disc guaranteed to have the nation's juke boxes hopping. Taking a tune titled "Pat-A-Cake," which is a take-off on the old kiddie song, Bill and the gang give it all the bounce and zest that "Crazy" had — and a little more. The flipside, "Fractured," is also in the same vein. Looks as though Mr. Haley is now a major contender in the pop picture.

Mercury's Ralph Marterie comes up with a fine instrumental entitled "The Moon Is Blue." Taken from the movie of the same name and already available on wax in several other versions, the tune gets a fresh reading by the Marterie combine. The simple, haunting melody is very effectively handled, and current interest in the film will augment Ralph's already sizeable patronage. On flip, "The Girl Of The Golden West," the band is at its best in an up-beat rhythm number.

The always-popular Nat "King" Cole does a superb job on the lovely new ballad, "If Love Is Good To Me." The Capitol Records chanter performs in the tender, touching manner that has become his trademark. The song is undoubtedly Nat's best effort since "Pretend." Overside, "A Fool Was I," is an appealing number sung by Nat with warmth and heart.

CHARLIE HAYES

Sweethearts forget easily  
When a love affair's over it's through;  
Others have long memories  
For example mine can't forget you.

Ev'ry night seems a year  
Since you left me my dear,  
When I'm cryin' my heart to sleep.  
And I still shed a tear  
For the days you were here,  
While I'm cryin' my heart to sleep.  
We thought our love was true dear  
Then we drifted apart,  
But I still love you dear.  
So I hope and I pray you return  
Then I'll say, I'm thru cryin' my heart  
to sleep.

# CAVALCADE OF STARS

New star Bob Santa Maria

Bob Santa Maria, Jerry Vale and Bill Harrington are three names you'll be hearing from soon. These boys all have what it takes and should be right up there before too long.

Never in his fondest dreams did Bob Santa Maria ever believe that he'd be a recording star in 1953. As a matter of fact, up until the middle of November, 1952, he was a factory hand in the plant of the East Rutherford Syringe Company. Bob loves to sing, and sing he did straight through the day. Last October, his co-workers sat him down and told him he'd either have to put up or shut up. They said he'd have to choose between singing and working in the factory.

Bob made a choice. He auditioned for the Arthur Godfrey Talent Scout program, appeared on it in November and won. The next day he quit his job at the factory and decided to concentrate on making a career of singing.

Nothing much happened, and Bob was seriously thinking of applying for his old job when he met Sol Parker, the songwriter. Parker had written "This Love Of Mine," the song that was so helpful in Sinatra's career. Bob sang for Parker, and the writer felt the young singer had great possibilities. So, last March, Sol Parker became Bob Santa Maria's personal manager. He wrote a song for Bob entitled "Don't Ever Cry."

In April, Bob sang this song for Harry Meyerson, the talented artist and repertoire head of MGM Records. Meyerson was so impressed that he signed Santa Maria to record for MGM. A month later, Bob's first MGM record was released. It was "Don't Ever Cry" (backed by "You're Mine, My Love"), and judging from its enthusiastic acceptance, Bob Santa Maria won't ever have to cry.

A rich voice, a clean delivery and a lot of resonance describe the vocal qualities of an up-and-coming young star named Jerry Vale.

His first two sides for Columbia were "For Me" with "Tired Of Dreaming" on the flipside. Both these

tunes were met with marked success, and the public as well as the deejays are anxiously awaiting his new releases. The disc jockeys report that his dramatic introduction on "For Me," which then develops into a smoothly rendered ballad, shows that young Jerry is star material. Incidentally, "Tired Of Dreaming" was penned by Paul Insetta, Jerry's discoverer and manager.

The musical backing for a singer is of the utmost importance. It is perhaps the orchestra more than any single factor that aids the singer in his delivery (by keeping the rhythm constant etc.) This accounts for Jerry's sincere praise of Percy Faith, who handled the background music on his recordings.

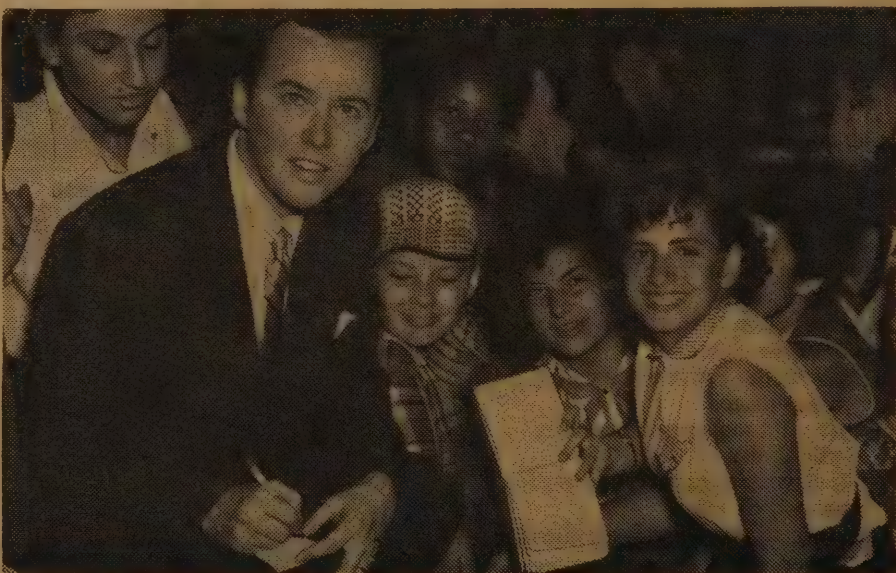

A veteran of show business, Bill Harrington has studied music since childhood and began performing professionally at fifteen, singing and playing the piano with small combos. Eventually he joined the "Four Senators" for nation-wide appearances. After serving with the Navy during World War II, he joined Alvino Rey's orchestra as vocalist.

During the past few years in New York, Harrington has starred in numerous network radio and TV series — including a highly successful vocal stint with "Your Hit Parade" — as singer, pianist and emcee, and is a favorite entertainer at private parties of the "400." He has penned several dozen original tunes — many now recorded by top artists. Most recent of these is "Because Of Rain," waxed by Nat "King" Cole and Ella Fitzgerald.

In the role of "musical emcee," Bill steps into WNEW's (New York) daily noontime spot with his own musical variety hour, "The Bill Harrington Show," Aired Mondays through Saturdays, from 12 to 1 p.m., WNEW's new song-and-patter show is practically a one-man deal. In addition to his emceeing chores, Bill sings, spins records, and plays piano and accordion. The versatile entertainer is given an assist by Roy Ross and the WNEW orchestra.

## RUB A DUB DUB

HANK THOMPSON

Once upon a time in a nursery rhyme  
There were three little men got lost.  
Like you and me they couldn't agree  
And upon the waves they tossed.  
I'll sing their tune 'cause I got marooned  
With a love I can't forget.  
Now, the three little men just took me  
in  
On an ocean of regret.

With a rub-a-dub-dub, three men in a  
tub,  
Lost on the ocean blue.  
I'll row like a hub, sing rub-a-dub-dub  
'Cause you broke my heart in two.

Well, I can't reach shore  
And my heart is sore  
And I'm driftin' far away  
From the love I had and I'm feelin'  
mighty bad,  
And I can't go on this way.  
Won't you throw out the line  
And say you're mine and take me back  
again?

'Cause my rudder's broke  
And it ain't no joke.  
Won't you reach and pull me in?

Well, I too knew right away  
There would never come a day  
When I'd reach land again.  
The one I adore on the distant shore  
Is at the rainbow's end  
To the three little guys  
I turned my eyes  
Won't you tell your names to me?  
Well, one said fate and one said hate  
And the other said jealousy.

## THE TENNESSEE WIG-WALK

NORMAN GIMBEL LARRY COLEMAN

I'm a bowlegged chicken,  
I'm a knock-kneed hen,  
Never been so happy since I don't  
know when.  
I walk with a wiggle and a giggle and  
a squawk  
Doin' the Tennessee wig walk.  
Hear a tune on a fiddle  
On a hard wood floor  
Though I'm broke and weary and my  
back is sore,  
I walk with a wiggle and a giggle and  
a squawk  
Doin' the Tennessee wig walk.  
Put your toes together, your knees apart,  
Bend your back, get ready and start.  
Flap your elbows just for luck  
Then wiggle and waddle like a baby  
duck.  
Won't you dance with me, honey,  
Tap your toes and glide,  
And we'll always be together side by  
side.  
We'll walk with a wiggle and a giggle  
and a squawk  
Doin' the Tennessee wig walk.  
Walk with a wiggle, wiggle with a walk  
And you're doin' the Tennessee wig  
walk.

## OH! YOU CRAZY MOON

JOHNNY BURKE JIMMY VAN HEUSEN  
When they met, the way they smiled,  
I saw that I was thru,  
Oh! you crazy moon, what did you do?  
When they kissed, they tried to say  
That it was just in fun,  
Oh! you crazy moon,  
Look what you've done!  
Once you promised me, you know,  
That it would never end,  
You should be ashamed to show  
Your funny face, my friend;  
There they are, they fell in love,  
I guess you think you're smart,  
Oh! you crazy moon, you broke my heart.

## HONEY DARLIN'

(Columbia Record by Mindy Carson)  
BOB MERRILL JERRY LIVINGSTON

The wind blows kisses to a ramblin' rose,  
The red rose blushes and a kiss she throws,  
The kiss gets sweetened by the bumble bee  
And honey darlin' gives that kiss to me.  
When angels take a rainbow from the shelf  
The sun gets "shiny" and out-smiles itself,  
The smile is there for all the world to see,  
But honey darlin' gives that smile to me.  
Honey darlin', honey darlin',  
You're the smile, you're the kiss,  
You're the song that's on my lips.  
Now heaven made you for my arms to hold,  
They made you, then they threw away the mold.  
There ain't a daisy that I haven't told  
My honey darlin' has a heart of gold.

## I CAN READ BETWEEN THE LINES

SID FRANK RAMON GETZOV  
You don't laugh anymore when we're alone,  
You don't talk quite as long  
When we're on the phone;  
You say that you still love me so,  
But I can read between the lines.  
You don't hear half the things I say to you,  
You don't hold me close as you used to do;  
You say that you won't let me go,  
But I can read between the lines.  
Your love for me is over,  
It isn't hard to tell;  
In ev'ry single thing you do,  
You say it all too well.  
And the glow in your eyes is there no more,  
When you speak of the plans that you have in store,  
It's time for me to let you know  
That I can read between the lines.

## SOMEONE'S BEEN READIN' MY MAIL

(Columbia Record by Jo Stafford)  
CARL SIGMAN ROBERT ALLEN  
I know that you're not coming back now that you're gone  
I know that it's over but I try not to let on;

I tell ev'ryone that you went away  
For only a week or two  
But someone's been readin' my mail  
And they know that we're through.

I tell ev'ryone you write ev'ryday  
Because you are lonely too  
But someone's been readin' my mail  
And they know it's not true.

Although I laugh and play a part  
They know I've lost your warm embrace;

I guess the ache in my heart  
Must be written all over my face.

I tell ev'ryone a lie ev'ryday  
And almost believe it's true  
But someone's been readin' my mail  
And they know that we're through.

## TONIGHT, LOVE

LEE KAUDERER MILTON KELLE  
Tonight, love, the very thought of you  
Will set my heart on fire.  
Tonight, love, with ev'rything you do,  
I'll know such sweet desire.  
So, kiss me and let the memory of love  
Be yours and mine  
Then, love, I'll know that you are mine.

I'm a slave and you're the master,  
Make my eager heart beat faster,  
Let your waiting arms receive me  
Darling, hold me tight!  
How can I resist surrender to your lips

So warm and tender  
Hold me, kiss me, never leave me  
I am yours tonight.

Tonight, love, the magic of a kiss is  
in your warm caress.

I swear, love, and promise that my lips

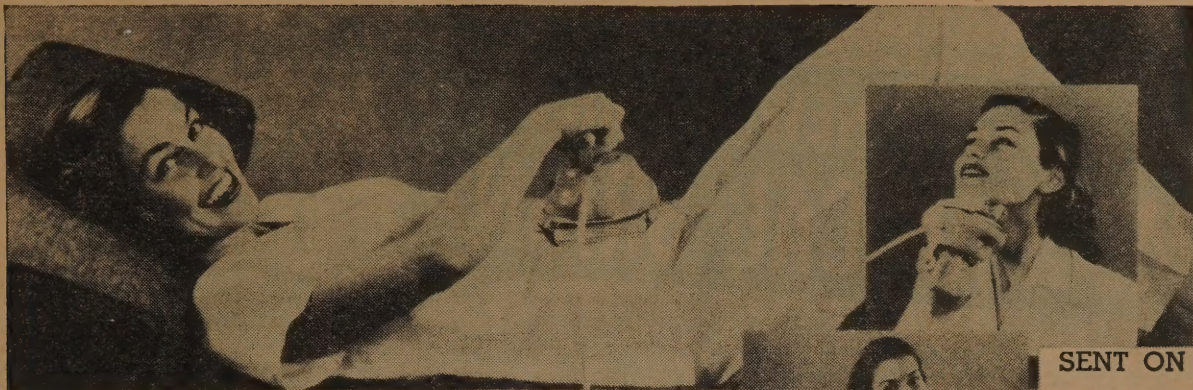

Will answer: "Yes, oh, yes."  
So come now, before the memory of love

Fades with the dawn,  
Tonight, love, before the thrill is gone.

REDUSAWAY, the amazing new electric home masseur works without exercise, diets, laxatives or drugs. Apply REDUSAWAY to arms, legs, abdomen, neck, chest, hips or any other part where excess fat causes you embarrassment and annoyance and see what it will do for you.

**INCREASES CIRCULATION**—Sluggishness and poor circulation often result in the building up of fat tissues and the consequent increased weight. But now all you have to do is to plug REDUSAWAY into your A.C. electric outlet and grasping the handle firmly apply to any part of the body. Almost instantly you will feel a surge of circulation in the area. Your body itself has at last been nudged into doing its work of breaking up fat tissues and carrying away the waste.

**FOR ACES AND PAINS** — Use for aches and pains where massage is indicated. REDUSAWAY is wonderful for the relief of discomforts for which physicians normally prescribe massage.

**FOR RELAXATION AND RELIEF OF FATIGUE**—ELECTRIC REDUSAWAY is also wonderful for the relief of fatigue as a result of over-exertion and works on the same principle as the hands of a masseur that gently massage the fatigued muscles of the patient whether athlete or housewife.

PORT WASHINGTON, N. Y.—As explained in a new FREE BOOK, anyone who wishes to play piano, guitar, accordion, or any other musical instrument can now learn quickly, through "Easy As A-B-C" Method.

Thanks to the clear, step-by-step, "print-and-picture" music lessons which the U. S. School of Music sends out to its students everywhere, thousands now play who never thought they could.

Over 900,000 people, including housewives and business men, bakers and bookkeepers, children and retired folks, have taken up this modern way to learn. On this page are shown just a few of their actual reports—telling how well they have done and what it means to them.

Unlike the old-fashioned way to learn music, there are no boring scales or exercises to do. You simply start right in playing simple pieces—properly, by note. Sensible explanations and clear pictures guide your fingers every step of the way. Sooner than you'd ever dream possible, you find yourself playing hymns, waltzes, folk songs, musical comedy hits, classical num-

bers. No particular "talent" is required, and the cost is only a few cents a lesson.
